CRESCENT[®]

Locking Adjustable Wrench

Trusted by the Trades.

The Speed of an Adjustable Wrench with the Grip of a Locking Plier

Crescent's new 10" Locking Adjustable Wrench offers the speed and versatility of an adjustable wrench with the gripping power of a locking plier. With its finely toothed jaws, it delivers twice the gripping power on difficult jobs such as loosening rounded fasteners or turning fasteners in confined spaces. Its quick-release and dual material handle make it easy to release, comfortable to use, and the perfect tool for any DIYer.
