## Cutting Tools for Your Outdoor Lifestyle

Whether your journey takes you to mountains, canyons, lakes, or streams, you need cutting tools that are rugged and reliable. Crescent Heavy Duty Outdoor Shears and Pocket Knives are up to the task. Our shears have titanium-coated blades for smooth, powerful cuts and a full metal core for maximum strength and durability. The knives have stainless steel blades for strength and edge retention. They're the perfect pair of essential cutting tools for every outdoor adventure.

### Heavy-Duty Outdoor Camo Shear

These stainless steel shears deliver exceptional performance with improved ergonomic design, full metal core, and titanium coated blades

**Ergonomic Design**  
Optimizes handle contact points to maximize comfort and control

**Full Metal Core**  
Extends through handle for durability and strength

**Heavy Duty Titanium Coated Blades**  
For powerful cutting and long life

**Serrated Bottom Blade**  
Grips material for greater control

**Control Channel**  
Fits index finger for improved control and more power

### 3.25" Drop Point Blade Pocket Knife with Camo Composite Handle

This knife features a precision-ground stainless steel blade for excellent strength, edge retention, and overall durability.

**Ergonomically Designed Composite Handle**  
For excellent fit and control

**Full Metal Core / Liner Lock**  
Assures secure locking of the blade in the open position and easy closing

**Precision Ball-Bearing Pivot**  
For smooth, reliable blade movement

**Flipper Tab Opening**  
For quick and easy blade deployment

**Popular Drop Point Style Blade**  
For easy maintenance and durability

**5Cr15MoV Stainless Steel Blade**  
For superior strength, edge retention, and durability

Heavy-Duty Outdoor Camo Shears are essential gear for every serious outing. The full metal core provides necessary strength and exceptional durability, while titanium coated blades stay sharp to cut through the toughest materials.

Lightweight composite pocket knife handles are ergonomically designed to optimize contact points for superior fit and control. Deep-carry pocket clip keeps knife barely visible, yet always ready.

Stainless steel blades open smoothly, lock securely, and are precision-ground to stay sharp.

## Designed for Comfort and Rugged Performance

Crescent shears and pocket knives combine outstanding craftsmanship with the latest materials and manufacturing technology to bring you cutting tools that are more comfortable, deliver superior performance, and last longer than ever before. Whether you choose camo or rawhide handle styles, you'll have a cutting tool ready to take on the great outdoors.
