**Screw Biter™
Impact Screwdrivers**

Trusted by the Trades.

Break Loose the Toughest Screws.

Crescent Screw Biter™ Impact Screwdrivers deliver the power of an impact driver with the convenience of a screwdriver. Hardened tips bite deep into screw heads with 12 degrees of powerful torque when the steel end cap is hit, loosening even the most frozen or damaged screws. Then, Screw Biters work like standard screwdrivers, easily turning the loosened screws.
